

I am a resident in an area in which Airl radio is plaid and this radio station serves my family, freinds, and me in an extraordinary way by giving incouragement and sharing news and therefore knowledge. This station also helps my community in an amazing way by being an outreach and helping teens to stay out of trouble. Airl should not be displayed by M4FM broadcasters which would provide other programing. I beleive that keeping Airl radio playing is in the public's interest because it provides a source of spiritual incouragement and guidance for teenagers which will help them to stay out of trouble and positively influence their communities. It is my hope that you will not end Airl's tremendous impact on communities around the nation in any way, great or small.
